1. The Inf Bn, Utvar No. 5222, commanded by Staff Captain Lexa, (fnu), was located in As (M 51/P 18). * The battalion was composed of a headquarters company, the 1st Co, a mortar company and a technical company. Its submachine gun company and machine gun company were located in Novy Zdar (M 51/P 18).
2. The submachine gun company used a former school as quarters. It was composed of two platoons made up of two officers, one regular NCO and 64 men. The EM included 33 Slovaks, 20 Czechs and 4 Hungarians. The company was armed with 120 German rifles type 98, 120 submachine guns of which 65 were in use and the remainder stored, and six Czech light machine guns of type 26. Six draft horses, two riding horses and two infantry wagons were available.
3. About 1,000 submachine gunners from Karlovy Vary (N 51/P 69), Marianske Lazne (N 50/P 56), Sololovo (N 51/P 58), Novy Zdar and some other unidentified posts practiced at the troop training grounds near Hruskova (N 51/P 53) from 16 February to 1 April 1950. **
4. Soldiers detached from various troop units were seen in the SNB Barracks in As. ***
